Just some of the 2008 Kids' Chance of Maryland, Inc. scholarship recipients.

Kids' Chance of Maryland, Inc. provides scholarships to the children of Maryland workers fatally or catastrophically injured in work-related accidents.

How can you help?

Tell others about our program – injured workers, attorneys, agents, health care providers and teachers – and help Kids' Chance attract more applicants through referrals.

The Kids' Chance Scholarship is intended for any accredited undergraduate college or vocational program in or outside of Maryland. As the number of scholarship applicants grows each year, so does the need for funding.

For the Academic Year 2008, Kids' Chance of Maryland awarded \$90,000 in scholarships to students, among which were two sets of siblings.

Please consider helping these deserving students by becoming a sponsor for the 2009 Gala.

See benefits of sponsorship and advertisement details on back panel.
