Kids' Chance
of Maryland, Inc.™
Educating Children of Injured Workers

Educational Scholarships for Children of Maryland's Catastrophically or Fatally Injured Workers

Every year, thousands of workers are disabled by on-the-job injuries in Maryland. Tragically, on average, about 60 workers in Maryland lose their lives every year. The children many times are forgotten when these losses occur.

Kids' Chance of Maryland, Inc. provides an opportunity for these children to pursue their education, reach their goals and fulfill their dreams for the future.

1 What is Kids' Chance of Maryland, Inc.?

It is a 501(c)(3) nonprofit corporation developed by a diverse group of concerned volunteers associated with Maryland's workers' compensation community including representatives of labor, employers, insurers, medical and vocational rehabilitation providers and claimant and defense attorneys. The purpose of Kids' Chance is to provide financial scholarships for children of catastrophically or fatally injured workers to complete their high school, college or technical school.

2 How long does this scholarship last?

Generally, the scholarship is good for one semester. The applicant must reapply at the end of each semester for the scholarship to continue, upon showing continuing financial need and a good standing status in school.

3 Which children are eligible for the scholarships?

The Kids' Chance of Maryland scholarship is intended to assist in obtaining a high school, vocational or college undergraduate education for financially needy, qualified, worthy and deserving students. The student cannot be older than 25 years of age. The student's parent or guardian must have suffered a catastrophic or fatal accidental injury or occupational disease while working for a Maryland employer.

4 What does the scholarship cover?

Scholarship awards vary and depend largely on the needs and educational expenses of the student. Scholarships cover tuition and books, but may also include housing and meals.

a chance to help, a chance to learn, a chance to care

How can you help?

If you would like to make a difference in the life of a child whose parent had an expectation of a productive work life cut short by a catastrophic or fatal work-related accident, please fill out the attached "Yes, I Want to Help" form and return it to Kids' Chance of Maryland, Inc. Please remember, scholarships are contingent on the availability of funds, so your help is needed to make this opportunity available to children who would not otherwise be able to attend high school, college or technical school. Kids' Chance of Maryland, Inc. is a 501(c)(3) tax-exempt, charitable organization.
