

## Meet a few of our kids/students

**Taylah A,**

"I am attending Frostburg State University thanks in part to Kids' Chance! I am more than honored to be a recipient of a Kids' Chance Scholarship. This scholarship was made available to me because my mother passed away as the result of a terrible workplace accident. I want to say thank you again Kids' Chance, for allowing me to pursue my dream!"

**Michaelya C.**

is a freshman attending the College of Southern Maryland and is majoring in History. Her sister Jordan recently graduated and was also a Kids' Chance scholarship recipient. Their father lost his life in a workplace motor vehicle accident.

**Rocky Point Golf Course** in Baltimore County is the only waterfront course on the western shore of the Chesapeake Bay. Opened in 1971, Russell Roberts skillfully created Rocky Point to be a challenging yet fair test of golf. Par at Rocky Point is set at 72, with a fairly open front nine and a back nine that is more tree lined and high-lighted by the three par 5's. Preserved natural wetlands meander through this picturesque setting, offering some of the prettiest views in all of golf in the Baltimore area.

# The 2023 Kids' Chance Golf Tournament

will take place on July 17<sup>th</sup> at Rocky Point Golf Course. Registration and breakfast starts at 7:30 am, with a shotgun start at 8:30 am. Following golf, a delicious catered lunch will be provided and prizes will be awarded.

*In the event the tournament cannot be played due to inclement weather or other conditions, your registration fees will be retained as charitable contributions to Kids' Chance of Maryland, Inc.*

Kids' Chance of Maryland, Inc., invites you to play in the 2023 golf tournament and fundraiser for our scholarship fund.

Every year, hundreds of Marylanders are disabled by on-the-job injuries. Some,

unfortunately, are catastrophically injured or lose their lives. It's the families and, in particular, the children, who are many times forgotten when these losses occur. Your support of this golf tournament and scholarship program helps to provide an opportunity for Maryland's college-aged children to pursue educational goals and fulfill their dreams for the future.

*A chance to help, a chance to learn, a chance to care.*
